IMPORTANT INFORMATION & FOOTNOTES

This general education certification pattern can be subject to change year by year, but students are assured that courses taken to meet this pattern will be honored if they are approved for the academic year that the course is completed. **Courses on this list are approved effective Fall 2020 and are valid through Summer 2021.**

IGETC is not a UC admission requirement but is advantageous to most transfer students. Students are strongly advised to work with a MiraCosta College counselor to develop an educational plan that includes general education and major preparation course work specific to the intended UC campus. Certification of IGETC, including Area 1C, Oral Communication, is an admission requirement for the California State University system, when students are completing an Associate Degree for Transfer and using IGETC to fulfill the general education component of this degree.

All courses on IGETC must be completed with a "C" or better. A "P" (pass) is acceptable, but UC permits no more than 14 semester transferable units to be completed on a pass/no pass basis.

UC credit may be limited for some courses. For example, no credit is given for an introductory course if it is taken after a more advanced college course. Credit may also be limited for courses with overlapping content. In addition, duplicate credit will not be awarded for the honors and non-honors versions of a course. UC credit limitations are noted on the catalog course descriptions.

Courses listed in two different areas may be used in either area but not both.

() Course approved beginning semester and year indicated. Course taught on campus prior to IGETC approval.

*Grades of "C-" are not acceptable except for high school language courses.

Plan C Frequently Asked Questions

Intersegmental General Education Transfer Curriculum (IGETC) for CSU and UC

What is IGETC/Plan C?

IGETC stands for Intersegmental General Education Transfer Curriculum (IGETC), which is a pattern of courses that students can complete at MiraCosta College to fulfill general education requirements at a University of California (UC) or California State University (CSU) campus. At MiraCosta College, this pattern of courses is known as Plan C.

Is IGETC required for transfer to a UC or CSU campus?

No. IGETC/Plan C is **not** an admission requirement for transfer to either the UC or CSU, nor does completing it guarantee admission to the campus or program of choice. IGETC may not be best for students in high unit majors such as math and sciences, and some UC campuses will not accept IGETC for certain majors. Plan C is an alternative to completing the lower-division general education or breadth program at a CSU or UC campus for many transfer students but not all.

What are the minimum UC requirements for an upper-division transfer student?

1. Complete 60 semester units of transferable college credit with a GPA of at least 2.4.
2. Complete the following course pattern requirements, earning a grade of "C" or better in each course: two transferable college courses (3 semester units) in English Composition; one transferable college course (3 semester units) in Mathematical Concepts and Quantitative Reasoning; four transferable college courses (3 semester units each) chosen from at least two of the following subject areas: Arts and Humanities; Social and Behavioral Sciences; Physical and Biological Sciences.

Completion of IGETC will fulfill the requirements listed under section 2.

What is certification of IGETC/Plan C?

"Certification" refers to official notification from MiraCosta College that a student transferring to any UC/CSU campus has completed courses fulfilling lower-division general education requirements. To obtain full certification, students must complete the entire IGETC course pattern with a grade of "C" or better in each course. "Certification" means the student will not be required to complete additional lower-division general education courses after transfer.

Can I get partial certification of IGETC/Plan C?

Yes. Partial certification for all but two (2) courses is permitted. The UC/CSU campus will require completion of the general education requirements in those sections that are not certified after transfer.

Can Advanced Placement test scores be applied to IGETC/Plan C?

Yes. Students may earn IGETC unit credit for acceptable AP scores. Applying AP credit toward a major requirement will vary by UC/CSU campus. Please see a MiraCosta College counselor when using AP credit for transfer.

Are the CSU and UC certification requirements the same for IGETC?

No. Full certification for CSU must include Area 1, Oral Communication. This is not a UC requirement. Full certification for a UC campus must include satisfaction of the foreign language proficiency. This is not a CSU requirement.

What are the other methods that can be used to meet the Language Other than English requirement for the UC? (LOTE)

Score of 3 on the Foreign Language AP test; satisfactory score on SAT II subject test; score of 5 or higher on the International Baccalaureate Higher Level Examination; score of 5, 6, or 7 on the "A" level exam; grade of A, B, or C on the "O" level exam; official records that verify completion with grades "C" or better of two years of formal schooling at the 6th grade level or higher in an institution where the language of instruction is not English; satisfactory completion of a proficiency test administered by a community college, university, or other college in a language other than English.

Does the UC have a History, Constitution and American Ideals graduation requirement?

Yes. Most students will satisfy this requirement through one year of U.S. history or one half year of U.S. history and one half year of U.S. government in high school completed with a "C" or better (UCLA requires a "B") or a college-level course.

Can I complete IGETC/Plan C course work at more than one college?

Yes. MiraCosta College will certify courses taken at other California community colleges. These courses will be placed in the same IGETC category identified at the offering college. Courses taken at other regionally accredited colleges/universities that do not have an IGETC pattern may be used on IGETC if the course is comparable to an approved IGETC course at MiraCosta College or another California community college. **Foreign course work is not acceptable for IGETC.**

Can a course be used to satisfy an IGETC/Plan C area and a major requirement? Yes.**What if I have a mixture of quarter and semester unit courses? How is this calculated for certification?**

It will be calculated to the student's advantage per area, using either semester or quarter units. To convert semester units to quarter units, multiply the semester units by 1.5. To convert quarter units to semester units, divide the quarter units by 1.5.

MiraCosta College Associate Degree

- **Unit/GPA**—60 degree applicable units with a minimum 2.0 GPA
- **Residency**—12 units completed at MiraCosta College
- **Major**—18 units with a letter grade of "C" or better or "P" if taken on a pass/no basis.
