GETTING STARTED

QUICK STEPS TO ENROLLMENT AT MIRACOSTA COLLEGE

1. Submit an online application for admission to MiraCosta College at <http://miracosta.edu/apply>. Once received, it takes approximately 3-5 business days to process. You will be notified of your status via email.
2. Retrieve your student ID (also known as your SURF ID) through the MiraCosta College SURF system or in person (photo identification required) at Admissions & Records (A&R).
3. Determine your residency status. Effective Fall 2015 forward, nonresident tuition exemption shall be granted to students who qualify under Section 702 of the 2014 Veterans Access, Choice and Accountability (VACA) Act. For more information or for questions, please call Admissions & Records at 760.795.6620.
4. Complete matriculation:
 - a. If you were not provided with automatic English and Math placements based on your application to MiraCosta College (sent to you by email), you must obtain placements by submitting a Multiple Measures Placement Request Form to the Testing Office. Alternatively, you may take the English and math assessments at the Testing Office if needed. Visit <http://miracosta.edu/testing> to find the Multiple Measures Placement Form as well as testing hours and requirements.
 - b. Complete Spartan Prep Orientation and Advisement in your SURF account
5. Determine your enrollment date and enroll in classes via SURF. If you are currently in the military or were discharged within the last 15 years, you *may* be eligible for priority registration. Check with Admissions & Records for eligibility requirements and deadlines to submit required documentation. If not automatically granted, you may request priority registration by completing the *Military Priority Enrollment* form. **You must complete matriculation (see above) to be eligible for priority registration.**
6. Submit official transcripts from:
 - Previously attended colleges and universities
 - Military transcripts:
 - Joint Services Transcript (JST): <https://jst.doded.mil>
 - Community College of the Air Force (CCAF): <http://www.au.af.mil/au/barnes/ccaf/transcripts.asp>
 - CLEP, DANTES, IB, AP

Submit official transcripts to the appropriate office below:

MiraCosta College
Admissions & Records/MS 10A
1 Barnard Drive
Oceanside, CA 92056

OR

MiraCosta College
Admissions & Records/MS 17B
3333 Manchester Avenue
Cardiff, CA 92007

Official transcripts may also be hand-delivered to the Admissions & Records Office; however, all transcripts must be in a sealed envelope issued by the institution within the last 12 months.

If the sending institution has the ability to send electronic transcripts, those may be delivered to admissions@miracosta.edu

7. Apply for financial aid at www.fafsa.gov. (RECOMMENDED!)

8. Veterans with disabilities are encouraged to pursue services through Student Accessibility Services (SAS) . For more information, please contact SAS at 760.795.6658 or visit their office in Building 3000, Oceanside campus.

STEPS FOR OBTAINING VETERANS EDUCATIONAL BENEFITS

1. Complete the application for Veterans Affairs (VA) Education Benefits via the Veterans Online Application (VONAPP) at www.benefits.va.gov/gibill (click on 'Apply for Benefits'). The VA will mail your *Certificate of Eligibility* (COE) to you in 30-45 days.
 - a. Are you a veteran? Submit *VA Form 22-1990*.
 - b. Are you a dependent using transferred Post 9/11 GI Bill benefits? Submit *VA Form 22-1990E*.
 - c. Are you a dependent of a 100% disabled or deceased veteran? Submit *VA Form 22-5490*.
 - d. Have you previously used your benefits at another institution? If you are a veteran, complete *VA Form 22-1995*. If you're a dependent, complete *VA Form 22-5495*.

Tip: Need assistance completing your VA benefit application? Staff in Veterans Services (Building T-100) will be glad to assist you!

2. Request official transcripts from **all** prior colleges, universities, and training institutions. This includes military transcripts (JST, CCAF, etc.). Send transcripts directly to the Admissions & Records Office.

Tip: Students must request their own transcripts. If the transcript is sent to your home address, it must remain in the original sealed envelope when delivered to MiraCosta to be considered official.

3. Meet with a Veterans Counselor to create an *Abbreviated Education Plan*. All students using VA benefits (including dependents) must have an education plan created by a Veteran Counselor rather than a General/Transfer Counselor. To schedule an appointment, please call 760.757.2121 x6981. Unofficial transcripts can be used for your *Abbreviated Education Plan* only.
4. Enroll in classes PRIOR to requesting certification for VA educational benefits. Use the MiraCosta College class schedule (available online) to determine class listings and availability. Courses must apply toward completion of a degree or approved Certificate of Achievement program. Refer to the *MiraCosta College Catalog* for degree programs and required courses.

Elective Courses: Elective courses will not be certified until it is determined they are required for the stated major. Do not enroll in classes previously taken at another institution until transcript evaluation and a comprehensive *Education Plan* have been completed. If you are certified for a repeated course prior to transcript evaluation and comprehensive *Education Plan* development, the Veterans Education Office will adjust your certification and you will be responsible for any subsequent debt to the VA.

- a. *VA Form 22-1995* (veterans) or *22-5495* (dependents), if not submitted as part of your benefit eligibility documentation. If submitted in addition to the above documents, you do not need to complete the financial information. This document is used to determine your selected major.
 - b. *Tentative Semester Plan* with Veterans Counselor signature
5. Once you enroll in courses, you must complete a *Letter of Intent* (LOI). An LOI must be submitted EVERY semester after enrolling in courses. If you do not submit an LOI, you will not be certified to receive payment from the VA.

6. Submit all required forms to the Veterans Services Office after enrollment:
 - a. DD-214 or *Notice of Basic Eligibility* (NOBE) for Reservists (if applicable)
 - b. Documentation of VA benefit eligibility (one of following items):
 - i. *Certificate of Eligibility* (COE) or
 - ii. eBenefits Education Enrollment Status or
 - iii. VA benefit application (*VA Form 22-1990, 22-1990E, or 22-5490*) or
 - iv. *VA Form 22-1995 or 22-5495* (only if you've previously used your benefits at another institution)

7. All students, with the exception of Chapter 33 (Post 9/11) and Chapter 31 (Veteran Readiness and Employment), must pay tuition and fees at the time of registration.
 - a. Chapters 30, 35, and 1606 - Students receiving benefits under these chapters are required to pay by the payment deadline. Failure to pay will result in your courses being dropped. You must still complete an LOI to be certified for your enrollment.

 - b. Post 9/11 GI Bill Recipients - You must complete an LOI in your SURF account after you enroll in courses.

Post 9/11 and Residency: Be advised that the VA does NOT pay nonresident tuition. If you are not initially classified as a California resident you should contact Admissions & Records and let them know that you are receiving benefits. Section 702 of the VACA permits California Community Colleges to exempt nonresident students who are receiving benefits and who meet certain criteria from the nonresident tuition fee. For those assessed nonresident fees who do not meet VACA criteria, an optional one-time only tuition deferment is available.

8. **All transcripts must be received before the end of the first semester or certification for subsequent semesters will be withheld until all transcripts are received and evaluated.** Once all official transcripts have been received, see a Veterans Counselor to request transcript evaluation. Transcript evaluations are not automatic. Please call 760.757.2121 x6981 for available drop-in hours. Failure to request an evaluation in a timely manner will delay the completion of your comprehensive *Education Plan*, which will create a delay in receiving your benefits for future terms. You will be notified by email when the evaluation is complete.

9. Schedule an appointment with a Veteran Counselor to develop a *Comprehensive Education Plan*. Identify yourself as a student receiving VA benefits. Visit the Veterans Counseling website or call 760.795.6750 for an appointment.

10. It is your responsibility to submit a copy of your *Comprehensive Education Plan* to the Veterans Education Office within your first semester or an **interruption in VA educational benefits may occur**.

Note: In order to receive VA educational benefits after your first semester, you **must** have a *Comprehensive Education Plan* on file that leads to an Associate Degree, a Certificate of Achievement, or transfer program approved by the state of California approving agency/VA. If this is your first semester at MiraCosta, you must meet with a Veterans Counselor before the end of your first semester and after all transcripts are received and evaluated to formulate your *Comprehensive Education Plan*.

Every Semester: Complete an LOI after enrolling in classes to continue benefit certification!

STUDENT RESPONSIBILITIES

Comprehensive Education Plan

- You must have a *Comprehensive Education Plan* on file (including official transcripts from all prior credit) by the end of your first semester or an interruption in VA educational benefits may occur.
- You are required to notify the Veterans Services if you change your major. A new *Comprehensive Education Plan* must be developed by a Veterans Counselor and immediately submitted to the Veterans Services Office.
- It is your responsibility to submit your comprehensive *Education Plan* to the Veterans Services Office!

Course Selection

- All courses are subject to approval and must meet prerequisite or course requirements as listed on the current *Abbreviated Education Plan* or *Comprehensive Education Plan* on file.
- Courses not meeting the requirements of the *Abbreviated Education Plan* or *Comprehensive Education Plan* will be denied by the VA and will not be included toward your rate of pursuit/training time calculated for awarding monthly education benefits.
- Failure to take the proper courses may result in an overpayment and reduction or termination of benefits. You assume full liability for any overpayment of all VA educational benefits.

Letter of Intent (LOI)

- Each semester, you are required to report your enrollment by completing a *Letter of Intent (LOI)* in your SURF account after enrolling in classes. Failure to complete the LOI will result in a pause in your VA benefits. **Courses will not be submitted to the VA for processing without an LOI.**

Overpayments and Underpayments

- All adds, drops, and withdrawals must be reported to the Veterans Services Office. This may be done via email, phone call, or in person. Changes may result in an overpayment or underpayment of monthly benefit payment. Remember, you assume full liability for any overpayment of VA education benefits.
- You **MUST** attend class and participate (both on campus and online) or it may result in an instructor withdrawal and a subsequent adjustment to your original enrollment certification. The adjustment can result in a student debt to the VA, including any accruing interest until the debt has been resolved.
- Educational benefits will be discontinued if you cease to make satisfactory progress toward completion of your training objective. Lack of satisfactory progress occurs immediately after two consecutive semesters of probation. Education benefits at MiraCosta College will not resume until you are in 'Good Standing.'

Prior Credit

- VA regulations require that all previous education be reported including: prior colleges/universities, CLEP, DANTES, AP and IB test scores, as well as all military coursework (JST, CCAF, etc.).
- If, at any time, it is determined a course(s) or course equivalent, taken at another institution, was successfully completed, the course(s) will not be paid for by the VA if repeated.
- It is your responsibility to ensure that all official transcripts are on file with the college no later than your first semester. You must request an evaluation of all transcripts during a drop-in appointment with a

Veterans Counselor. For available drop-in hours, please contact the Counseling Department. Identify yourself as a student receiving VA benefits.

Course Selection

Only courses that apply toward completion of your major at MiraCosta College can be certified and submitted to the VA to receive educational benefits.

Courses **Approved for Payment** by the VA

- Courses required for your major and general education requirements.
- Electives **as needed to meet the overall unit requirement for program completion.**
- Required** prerequisite courses (*recommended* courses are **not** the same as *required* courses).
- Remedial courses (English or math), if applicable per assessment results. These must be taken **on campus** (not online or hybrid) to be certifiable.
- Some* repeat courses (courses in which a 'C' or better grade is required for graduation). There are college restrictions on allowable repeats. See the *MiraCosta College Catalog* for further details.

Courses **Not Approved for Payment** by the VA

- Courses outside of your major or general education requirements.
- Electives in excess of the overall unit requirement for program completion.
- Recommended courses (VA pays for *required* courses, not recommended courses).
- Courses that do not apply toward the completion of your major.
- Repeat courses (any class you have previously taken and received a passing grade). Remember, a grade of 'D' is considered passing, **except** for courses in which a grade of 'C' or better is required for graduation.
- Online remedial courses (English or math).

Dropping or Adding Classes, Withdrawals

The Veterans Services Office must report unit changes immediately to the VA. **In order to avoid possible overpayment of benefits and subsequent billing from the VA, it is imperative to immediately report all course changes, withdrawals, etc. to the Veterans Services Office.** This may be done via email, phone call, or in person.

GUEST STUDENTS

If you are pursuing your degree at another college or university, but wish to take a course (or courses) at MiraCosta, you are considered a Guest Student. The school that will grant your degree is your primary or parent school. All others schools are considered secondary. VA can pay benefits for courses taken at secondary schools, as long as the course applies to your specified degree/certificate program at your primary school.

To request certification as a Guest Student:

1. Submit a *Letter of Intent* (LOI) after course enrollment. The Letter of Intent is available in SURF under Student Forms -> Veterans Education.
2. Contact the Veterans Affairs Office at your primary school for their policies and procedures. MiraCosta must receive a *Parent School Letter* from your primary school prior to certification of any coursework.

Contact the Veterans Affairs Office of your primary school for further questions.

PARENT SCHOOL LETTERS

If MiraCosta is your primary school and you wish to take a course at a secondary school, you'll need to request a *Parent School Letter*:

1. Submit a *Letter of Intent* (LOI) in SURF if enrolled at both MiraCosta and the secondary school for the intended term.
2. Speak to a Veteran Counselor to verify that course(s) at the secondary school will be applicable towards your degree or certificate from MiraCosta. The counselor will provide a *Request for Parent School Letter* form for you to submit to the Veterans Services Office. When submitting to Veterans Services, you will also need to include:
 - a. Proof of enrollment (Ex. Enrollment Summary):
 - i. Course Information (subject and course number)
 - ii. Course Schedule (start and end dates)
 - b. Contact information for the secondary School Certifying Official
 - c. Copy of the course description from the secondary college's catalog
3. If the course is determined to be equivalent and applicable to your MiraCosta degree/certificate program, a *Parent School Letter* will be sent to your secondary school.
4. Contact the Veterans Affairs Office at your secondary school for their policies and procedures. You may be required to submit additional documentation to their office.
5. Upon completion of approved course(s), you are required to submit official transcripts **no later than one month after the completion of the semester/session** to:

MiraCosta College
Admissions & Records/MS 10A
1 Barnard Drive
Oceanside, CA 92056

OR

MiraCosta College
Admissions & Records/MS 17B
3333 Manchester Avenue
Cardiff, CA 92007

OR Electronic transcripts may be sent directly from the institution to admissions@miracosta.edu

Important: Failure to submit transcripts from your secondary school will result in the delay of future enrollment certifications for VA education benefits.

Helpful Hints

- If the start/end dates for your secondary school course differ from your primary school enrollment dates, rate of pursuit/training time may be affected.
- *Parent School Letters* are subject to approval. Courses offered by secondary schools must be approved by the Counseling or Evaluations Office to confirm course equivalency.
- You should follow-up with the secondary school's Veterans Affairs Office for certification processing times.

Rate of Pursuit and Training Time

Training time and rate of pursuit are provided for reference only. Variations in full-time equivalency may exist.

Training Time for Standard Semesters

Chapters 30, 31, 35, and 1606 Standard Semester

In a standard semester (Spring and Fall), training time is measured as follows:

12 units	=	Full-time
9-11 units	=	$\frac{3}{4}$ -time
6-8 units	=	$\frac{1}{2}$ -time
4-5 units	=	less than $\frac{1}{2}$ -time (< $\frac{1}{2}$ -time)*
1-3 units	=	$\frac{1}{4}$ -time or less (< $\frac{1}{4}$ -time)*

*Payment equals tuition and fees only

Rate of Pursuit for Standard Semesters

Chapter 33 (Post 9/11 GI Bill) Standard Semester

In a standard semester (Spring and Fall), rate of pursuit is measured as follows:

VA calculates rate of pursuit by dividing the number of units being pursued by the number of units considered to be full-time by the school. The resulting percentage is your rate of pursuit.

Examples: If full-time is considered 12 units, then rate of pursuit for:

- 6 units is 50% ($6 \div 12 = 50\%$)
- 7 units is 60% ($7 \div 12 = 58\%$)

The housing allowance is paid only if the student's rate of pursuit is more than 50%.

Rate of pursuit determines whether a student receives or doesn't receive the housing allowance. If pursuit is more than 50% the student receives the housing allowance. If the rate of pursuit is 50% or less, then the student doesn't

receive the housing allowance. Remember, the housing allowance is also prorated by the student's length of service percentage and rate of pursuit.

Active duty personnel (including those on terminal leave) and their spouses utilizing transferred entitlements are not eligible for the housing allowance.

Training Time for Summer Semesters

Chapters 30, 31, 35, and 1606 Summer

Summer training time is different from Spring and Fall. Training time is based on the number of weeks the class meets, as well as the number of units required for the course. Most (not all) summer classes are either six or eight weeks in length.

6 Week Class

4 units	=	Full-time
3 units	=	$\frac{3}{4}$ -time
2 units	=	$\frac{1}{2}$ -time
1 unit	=	less than $\frac{1}{2}$ time (tuition and fees only for Chapters 30 & 35)

8 Week Class

6 units	=	Full-time
5 units	=	$\frac{3}{4}$ -time
4 units	=	$\frac{3}{4}$ -time
3 units	=	$\frac{1}{2}$ -time
2 units	=	less than $\frac{1}{2}$ time (tuition and fees only for Chapters 30 & 35)

Rate of Pursuit for Summer Semesters

Chapter 33 (Post 9/11 GI Bill) Summer

6 Week Class

4 units	=	Full-time
---------	---	-----------

8 Week Class

6 units	=	Full-time
---------	---	-----------

Please see the Veterans Education Office for information on training time for sessions shorter than six weeks or longer than eight weeks.

NOTE ON TERM DATES

Different beginning and ending dates are considered to be separate terms. MiraCosta reports actual beginning dates, ending dates, and number of credits. The VA makes the conversion, not the school.

VETERANS AFFAIRS EDUCATION BENEFIT PROGRAMS

POST 9/11 GI BILL - CHAPTER 33

Eligibility

- Service member must have completed at least 90 days of aggregate days on active duty on or after September 11, 2001 or be honorably discharged with a service-connected disability after 30 days.
- Veteran has received an honorable discharge.
- Benefits expire 15 years from the date of discharge/separation.
- For detailed information on eligibility requirements, please visit: <http://www.benefits.va.gov/gibill>

Transfer of Entitlement (TOE)

The Post 9/11 GI Bill allows service members (officer or enlisted, active duty or Selected Reserve), on or after August 1, 2009, to transfer unused education benefits to immediate family members (spouse and/or children). The service member must have at least 6 years of service, and commit to an additional 4 years of service in order to transfer benefits to a spouse or child. Because of the potential impact of this benefit on recruiting and retention, transfer policy is determined by the Department of Defense (DoD) and the military services.

Benefits

- Post 9/11 GI Bill benefits may include in-state tuition and required fees, a monthly housing allowance, a stipend for books and supplies, and a possible "kicker" college fund payment (if eligible):
 - Effective August 1, 2010, the Post 9/11 GI Bill will no longer pay for nonresident tuition. If you are not initially classified as a California state resident you should contact Admissions & Records and let them know that you are receiving benefits. The newly passed Section 702 of the VACA permits California Community Colleges to exempt non-resident students who are receiving benefits and who meet certain criteria from the non-resident tuition fee.
 - You must submit a Letter of Intent in your SURF account to avoid being dropped for non-payment of tuition and fees. Students will only be certified for approved courses as identified on the *Education Plan* on file.
- For current payment rates, please visit: <http://www.gibill.va.gov/resources/benefitsresources/ratetables.html>

Basic Allowance for Housing (BAH)

- A monthly housing allowance is paid directly to the student at the beginning of each month for the previous month's enrollment. The housing allowance is prorated by the student's length of service and rate of pursuit.
- Active duty members and their spouses are not eligible for the housing allowance.
- To be eligible for the monthly housing allowance, rate of pursuit must be greater than 50%.
- The monthly housing allowance is equal to the Department of Defense Basic Allowance for Housing (BAH) for an "E-5 with dependents" and the zip code of the main campus (92056). To view the current BAH rate, please visit www.defensetravel.dod.mil/perdiem/bah.html.

Distance Learning and BAH

Students enrolled exclusively in distance learning (online courses) are eligible for monthly housing allowance equal to 50% of the national BAH average and your rate of pursuit. If a student's enrollment is a combination of distance learning and on-campus courses, and the rate of pursuit is greater than 50%, you may be eligible to receive the local BAH rate (92056).

Remedial and Refresher Courses

Remedial and refresher courses may be approved based upon English and math assessment results. These courses must be taken on campus, not online or self-paced, to be eligible.

Application Process

1. Go to <http://www.benefits.va.gov/gibill> and click on "Apply for Benefits."
2. Complete the appropriate application:
 - o Are you a veteran? Submit *VA Form 22-1990*.
 - o Are you a dependent using transferred Post 9/11 GI Bill benefits? Submit *VA Form 22-1990E*.

CAL-VET TUITION FEE WAIVER FOR VETERAN DEPENDENTS

The Veterans Education Office does not process Cal-Vet applications, but will gladly provide a hard copy for your convenience.

Benefits

- Waiver of mandatory tuition and fees at any State of California Community College, California State University, or University of California campus.
- All students must meet California residency requirements.
- To ensure ongoing benefits, students are required to reapply each year.

PLAN A

The spouse, child, unmarried surviving spouse, or California certified registered domestic partner of a veteran who is totally service-connected disabled or who has died of service-related causes, may qualify. A dependent of any veteran who has been declared missing in action, captured in the line of duty by hostile forces, or forcibly detained or interned in the line of duty by a foreign government or power is also eligible. The veteran must have served during a period of war declared by Congress, or been awarded a campaign or expeditionary Medal. This program does not have an income limit. A child must be under 27 years of age to receive the fee waiver benefit. The age limit is extended to 30 years of age if the child is also a veteran. There is no age limit for a spouse, surviving spouse or California certified registered domestic partner. A dependent cannot receive this benefit (Plan A) if they are already receiving VA Chapter 35 benefits.

PLAN B

The child of a veteran who has a service-connected disability, or had a service-connected disability at the time of death, or died of service-related causes is eligible. The child's annual income, which includes the child's adjusted gross income, plus the value of support provided by a parent, may not exceed the annual income limit. The current academic year entitlement is based upon the previous calendar year's annual income. Under Plan B, wartime service is not required and there are no specific age requirements. Children are the only dependents eligible under this plan. There is no prohibition against receiving concurrent VA Chapter 35 benefits.

PLAN C

Any dependent of any member of the California National Guard, who in the line of duty while on active service to the state, was killed, died of a disability resulting from an event that occurred while in active service to the state, or is permanently disabled as a result of an event that occurred while in the service to the state is eligible. Surviving spouses or RDPs who have not remarried are also eligible.

"Active service to the state," for the purpose of this benefit, means a member of the California National Guard activated pursuant to Section 146 of the Military and Veterans Code. A copy of those orders pursuant to Section 146, not Section 143, must be furnished to establish eligibility.

PLAN D

Medal of Honor recipients and children of Medal of Honor recipients under the age of 27 may qualify. Benefits under Plan D are limited to undergraduate studies only, and applicants are subject to both income and age restrictions. There is no prohibition against receiving concurrent VA Chapter 35 benefits.

Cal-Vet Application Process

- Contact your local County Veterans Service Office or go to www.cacvso.org to obtain an application. Certain dependency documents may be required to establish your relationship with the veteran.

FREQUENTLY ASKED QUESTIONS

Do I have to pay tuition and fees?

Yes, if using Chapter 30, 35, 1606, or 1607, you are responsible for your own tuition and fees, which are due upon registration. However, the MiraCosta College Veteran's Education Office offers an optional one-time only tuition deferment. This defers tuition only and is payable when you receive your first check from the VA. You are still responsible for all mandatory fees upon registration. See our office for details.

If you are Chapter 33 and a California resident, the VA will pay mandatory **in-state** fees based on your VA benefit percentage. If you are not initially classified as a California state resident you should contact Admissions & Records and let them know that you are receiving benefits. The newly passed Section 702 of the VACA permits California Community Colleges to exempt non-resident students who are receiving benefits and who meet certain criteria from the non-resident tuition fee. An optional one-time only tuition deferment is available to assist with nonresident fees. See our office for further details.

Why must I complete all of this paperwork?

The new student paperwork establishes your education file at MiraCosta as well as your VA file in Muskogee, OK. There is a reason for each document. Once your file is established, you will typically only need one form (the *Letter of Intent*) each semester to continue benefits. If you change your major, additional documents will likely be required.

When will I receive payment?

Upon completing your initial application for VA educational benefits, processing can take up to eight weeks. Once the VA establishes your file, subsequent processing usually takes 30 to 45 days. During peak periods, such as the start of the semester, VA educational benefit paperwork may take longer for the school and VA to process.

How will I be paid?

Once the VA processes your paperwork, you will receive monthly payments based upon your satisfactory attendance in classes. Monthly payments are distributed at the beginning of each month, for the preceding month.

If using Chapter 30, 33, or 1606, you MUST verify your enrollment the last day of each month, or after, to receive payment. This verification can be done either by using the Web Automated Verification of Enrollment (WAVE) application at www.gibill.va.gov/wave or by calling 1.877.823.2378.

Is it possible to receive payment in a lump sum?

With the exception of the Chapter 33 books and supplies stipend, all entitlements are paid monthly.

I have the College Fund. Will I receive that payment as well?

Yes, the VA should add the college fund into your monthly benefit payment.

How do I establish direct deposit?

You may request direct deposit when you apply for benefits by either: 1) attaching a voided check to your application or 2) providing your financial information on the application. You may also establish direct deposit by calling the VA at 1.888.442.4551. Those using Chapter 30 or 1606 may complete this action using the Web Automated Verification of Enrollment (WAVE) at www.gibill.va.gov/wave.

What is an assessment test and why is it required?

Lower-level college preparatory or prerequisite courses may be certifiable if they are required to advance toward your degree or certificate requirements. For example, ENGL 50 or ENGL 52 will be certified if you need these courses as preparation/support for ENGL 100. The VA requires that we have test results that support the need for remedial courses in your file. Remedial courses (MATH 30 and ENGL 50) must be taken on campus to be certifiable.

Should I notify the VA if I move?

Yes! If you change your mailing address, telephone number, or e-mail address, you must notify MiraCosta's Veterans Services Office, Admissions & Records, and the VA at 1.888.442.4551. Those using Chapter 30 or 1606 may notify the VA of their address change via WAVE at www.gibill.va.gov/wave.

Why do I have to declare a major?

The VA requires you to declare an objective (major) or goal. At MiraCosta College, options include an Associate's Degree (A.A or A.S.), Transfer Degree, or approved Certificate of Achievement as listed in the catalog.

Why must I have a *Comprehensive Education Plan*?

The VA requires all benefit recipients to have a *Comprehensive Education Plan* designating which courses are approved toward their program. If you change your major, you **MUST** see a Veterans Counselor to formulate a new *Comprehensive Education Plan*. Submit the new plan to the Veterans Services upon completion.

Can I get a certificate instead of an AA or AS?

Yes, as long as it is an approved certificate program. Certificates of Achievement are the only approved certificate programs at MiraCosta College. Certificates of Proficiency are not approved for VA benefits.

Why do I have to provide transcripts from the military and/or previous institutions?

All prior credit must be reported to the VA. If you have completed coursework at any other college or institution, including military training, you have one semester in which to have official transcripts sent to MiraCosta College for evaluation. The arrangements for obtaining official transcripts are your responsibility, not the responsibility of the Veterans Services Office. In the event that transcripts for all prior coursework are not received by MiraCosta College within one semester, the college will withhold certification until all transcripts are on file.

My Joint Services Transcript (JST) is incomplete or doesn't exist. What do I do?

Data can go back as far as 1976 but data older than 1994 may be missing or incomplete. If your transcript is missing any information or has not yet been completed, please visit the following website for directions on how to correct: <https://jst.doded.mil/correction.html>.

What courses am I paid for under a major at MiraCosta?

You are paid for general education classes, major classes, and electives (**if needed**) for your major. You are not paid for classes you have already completed with a passing grade, or those not required for your declared major.

Why am I not getting paid for all of my current classes?

Only major classes, general education requirements, or electives (as needed), are payable classes. An exception to this would be required prerequisite classes and remedial level English or math classes, which are shown to be needed through assessment testing. Remember, remedial courses (MATH 30 and ENGL 50) must be taken on campus to be certifiable. Repeat classes (any class you have previously taken with a passing grade) or a class outside of your major are not payable.

Why did I receive approximately half the amount of money I normally get?

Have you dropped classes? Are you in a short session class which ended before the end of the rest of the semester? Could an instructor have dropped you for non-attendance? These are a few reasons that could impact pay. First, check your enrollment. You may also contact our office to request a file review.

I dropped a class. What should I do?

Phone, email, or stop by the Veterans Services Office to let us know. We will adjust your units as appropriate and submit any changes to the VA. If you are using Chapter 30, 33, or 1606, you also need to notify the VA during your monthly self-verification via the Web Automated Verification of Enrollment (WAVE).

Are online classes payable?

Yes, if they are required for your major, with one major exception: remedial courses must be taken on campus (MATH 30 and ENGL 50) to be certifiable. **The VA does not pay for online or hybrid remedial coursework.**

If you are a Post 9/11 GI Bill (Chapter 33) recipient, your rate of pursuit must be greater than 50% to receive your monthly housing allowance. To receive the local (92056) housing rate, at least one course must be on campus. For those enrolled solely in distance learning, the housing allowance payable is equal to half the national average BAH for an E-5 with dependents. **Remember, most hybrid courses (courses taught partially on campus and partially online) are considered as 'Distance Learning' (online) according to VA guidelines.**

It's been six weeks; what steps should I take to inquire about the status of my payment?

Depending on the backlog at the VA Regional Office in Muskogee OK, six weeks may be a reasonable amount of time for processing. Check with our office to initiate a file review or contact the VA directly at 1.888.442.4551.

Do I have to pay taxes on my GI Bill?

No, all GI Bill benefits are tax-free.

Can I apply for financial aid?

Yes, we encourage you to do so. VA educational benefits do not count as income when determining your eligibility for federal financial aid. For more information, please contact the Financial Aid Office at 760.795.6711, visit their office in Building 3000 on the Oceanside campus, or check out their website at www.miracosta.edu/financialaid.

I'm not a veteran. Do I still have to meet with a Veterans Counselor for development of my Education Plan?

Yes, all students receiving VA benefits should develop their Comprehensive Education Plan with a Veterans Counselor. To schedule an appointment, please call 760.795.6750, visit the Veterans Counseling website, or visit Building 3700, Oceanside campus. Identify yourself as a student receiving VA benefits. Remember to provide the Veterans Services Office, with a copy of your Education Plan, once complete.

I'm using the Post 9/11 GI Bill. What costs might I be accountable for?

Based on your eligibility percentage, the VA will pay for required courses. For example, if you are 100% eligible and taking all required courses, the VA should cover 100% of your tuition and mandatory fees (health fee, student center fee, and certain class fees) as long as you still have benefits remaining and have not reached your delimiting date. However, if you're only 70% eligible, then the VA will only pay 70% of those costs, leaving you to pay the remaining 30%. Regardless of your eligibility percentage, the VA will never pay for courses that are not required; any course that is not required will be the financial responsibility of the student. Nonresident fees are also the responsibility of the student. If you are not initially classified as a California state resident you should contact the Admissions and Records Office and let them know that you are receiving benefits. The newly passed Section 702 of the VACA permits California Community Colleges to exempt non-resident students who are receiving benefits and who meet certain criteria from the non-resident tuition fee. You are also responsible for certain optional fees, such as the cost of your parking pass and Student I.D. card.

What is Round Out?

In your last term, you can round out your schedule with non-required courses to bring your course load up to a full-time schedule. This allows you to continue receiving benefits at the full-time rate in the last term of enrollment, even though fewer credits are required to complete your program. This procedure can only be done once per program. In rounding out a full-time schedule, you may use any credit hour subject, including a subject that has previously been successfully completed (received a passing grade). See a Veterans Counselor to request Round Out. Upon approval, please submit the *Round Out Request* form to the Veterans Services Office.
