Campus

Identity Theft

In this interactive workshop you'll learn to spot social engineering attempts, safer ways to interact through social media and how to minimize your online risk both at work and at home.

– Presented by California Coast Credit Union

Holiday Saving & Spending

Develop a plan for saving and spending over the holiday season while focusing on what matters. You'll also discuss strategies for dealing with the aftermath of holiday spending.

– Presented by California Coast Credit Union

Smart Borrowing

Learn about the different types of student loans and repayment plans available. Get information on how to handle student debt and avoid default.

– Presented by MiraCosta College Financial Aid Office

Managing Money

Designed to introduce basic money terms and discuss the basics of budgeting requirements.

– Presented by California Coast Credit Union

Credit 101

This session will explain what a credit report, credit score, and credit history is and how they are calculated including what helps and hurts your score. We will also talk about how to begin if you have no credit.

– Presented by California Coast Credit Union

Budgeting and Credit

This workshop will cover the basics of setting up a budget and the importance of establishing good credit.

– Presented by Operation Hope
